

CITY OF LODI

COUNCIL COMMUNICATION

AGENDA TITLE: Agreement for Funding of Kettleman Lane Bicycle Lane Project and No-Parking Zones at Various Locations on Kettleman Lane

MEETING DATE: August 21, 1996

PREPARED BY: Public Works Director

RECOMMENDED ACTION: That the City Council approve matching funds for the Measure K Kettleman Lane bicycle lane installation project, authorize the City Manager to execute Caltrans District Agreement No. 10-060, and adopt a resolution approving the installation of no-parking zones on Kettleman Lane at various locations, as shown on the attached exhibits.

BACKGROUND INFORMATION: In the Bicycle Transportation Master Plan (BTMP), Exhibit A, Kettleman Lane is designated as a Class II bike lane. Class II is a striped, signed and marked bikeway within a paved roadway. During the BTMP workshops, Kettleman Lane was selected as one of the "most-wanted" bicycle lane projects by Lodi citizens.

Kettleman Lane is on Caltrans' Preventive Maintenance Project List for a slurry seal. Since Caltrans would be restriping, the City felt this would be a good opportunity to install the bicycle lanes. In 1995, the City applied for Measure K funding to install the bike lanes. The San Joaquin County Council of Governments (COG) Board approved partial funding, \$39,430, for bicycle lanes on Kettleman Lane, from Lower Sacramento Road to Cherokee Lane. The City's original estimate to install bicycle lanes was \$53,000. In working with Caltrans on incorporating the bicycle lanes with the slurry seal project, the installation cost has increased to \$114,000. The estimated striping cost has increased mainly because the City did not anticipate having to reinstall 101 loop detectors or grind the existing striping. Caltrans is requiring the loop detectors to be centered in each lane which provides better activation of the traffic signals. The City assumed we would be adding a painted bicycle lane, signs and legends, and reinstalling only a few loop detectors.

Due to the additional cost, the City of Lodi applied for supplemental Measure K funding for traffic signal loop detector replacement. We were recently notified by COG's staff that we have preliminary approval for \$44,220. That will bring the total Measure K funding to \$83,650 with the City's local match, \$21,350. Staff recommends City Council approve funds for the City's local match with funding from Transportation Development Act funds.

Staff is also recommending no-parking zones at various signalized intersections to minimize the loop detector replacement. Exhibits B through E show the recommended no-parking zones. The adjacent businesses have off-street parking. The adjacent residences are corner parcels and have available parking on the side streets. To replace the loop detectors instead of installing the no-parking zones would cost an additional \$45,000.

APPROVED:

H. Dixon Flynn -- City Manager

Funding for Kettleman Lane Bicycle Lane Project and No-Parking Zones
at Various Locations on Kettleman Lane
August 21, 1996
Page 2

Staff recommends City Council approve the no-parking zones which will improve safety and provide wider vehicle lanes in those segments. The no-parking zones will be included with the Caltrans project. Exhibit F shows a typical cross section of the bike lane striping with and without parking.

FUNDING:	\$ 83,650	Measure K
	<u>\$ 30,350</u>	Transportation Development Act funds
	\$114,000	TOTAL

SUBJECT: KETTLEMAN LANE BICYCLE LANE PROJECT AND NO PARKING ZONES AT VARIOUS LOCATIONS ON KETTLEMAN LANE

Dear Mr. Ronsko--

Enclosed is a copy of my previous fax for your ready reference.

Upon review, I should have pointed out that the commercial tractor-trailer parking on the South Side of Kettleman Lane west of our office at 2100 Kettleman lane is presenting a hazard when attempting to turn west [left] from the driveway between the PAM Building [2020 Kettleman Lane] and Wright insurance.

It would greatly alleviate the problem if the 'No Parking Zone' could be extended to the Second Fire Hydrant West of the driveway between Pam and Wright Insurance. This would be approximately 700', rather than the 370' planned.

As this area is zoned "professional office" I believe most new construction would provide adequate on site parking. Accordingly, there would not appear to be any reason for parking on this section of Kettleman Lane.

Again, we are appreciative of any and all efforts to improve the visibility in this area

Thank you,

Gar Wright

Enclosed is a copy of background information on an item on the City Council
agenda of Wednesday, August 21, 1996, at 7 p.m. The meeting will be held in the
City Council Chamber, Carnegie Forum, 305 West Pine Street.

This item is on the regular calendar for Council discussion. You are welcome to attend.

If you wish to write to the City Council, please address your letter to City Council,
City of Lodi, P. O. Box 3006, Lodi, California, 95241-1910. Be sure to allow time for
the mail. Or, you may hand-deliver the letter to the City Clerk at 221 West Pine Street.

If you wish to address the Council at the Council meeting, be sure to fill out a speaker's
card (available at the Carnegie Forum immediately prior to the start of the meeting) and
give it to the City Clerk. If you have any questions about communicating with the
Council, please contact Jennifer Perrin, City Clerk, at (209) 333-6702.

If you have any questions about the item itself, please call Paula Fernandez,
Associate Traffic Engineer, at (209) 333-6706.

Lodi, California 95241-1910

Gentlemen,

Professional Apartment Management, Inc. is in receipt of the August 16th correspondence related to the Kettleman Lane Bicycle Project.

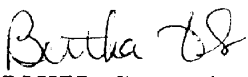

In review of the Exhibit Maps showing the proposed "No Parking" zones, we are in full agreement with the City for this project. I am glad to see the City taking into consideration, the needs of bicyclists, and making the appropriate alterations in its street mapping.

As you may know, this project effects the parking zone in front of Professional Apartment Management, Inc. and adjacent businesses.

Again, we are in full support of the Kettleman Lane Bicycle Project.

Thanks very much for your consideration.

Sincerely,

for 
DAVID J. MICHAEL
President

RESOLUTION NO. 96-117

A RESOLUTION OF THE LODI CITY COUNCIL
APPROVING CALTRANS AGREEMENT NO. 10-060 AND AUTHORIZING
CITY MANAGER TO EXECUTE THE SAME ON BEHALF OF THE CITY, AND
APPROVING MATCHING FUNDS FOR THE MEASURE K KETTLEMAN LANE BICYCLE
LANE INSTALLATION PROJECT; AND FURTHER APPROVING NO PARKING ZONES
AT VARIOUS LOCATIONS ON KETTLEMAN LANE

=====

BE IT RESOLVED that the Lodi City Council does hereby approve Caltrans Agreement No. 10-060 and authorizes the City Manager to execute the same on behalf of the City; and hereby approves matching funds for the Measure K Kettleman Lane Bicycle Lane Installation Project (\$21,350) from the Transportation Development Act funds; and

BE IT FURTHER RESOLVED, that the Lodi City Council does hereby approve the installation of "No Parking" zones at various locations on Kettleman Lane, as shown on Exhibit A attached hereto and made a part hereof.

Dated: August 21, 1996

=====

I hereby certify that Resolution No. 96-117 was passed and adopted by the City Council of the City of Lodi in a regular meeting held August 21, 1996, by the following vote:

AYES: COUNCIL MEMBERS - Davenport, Pennino, Sieglock
and Warner (Mayor)

NOES: COUNCIL MEMBERS - None

ABSENT: COUNCIL MEMBERS - Mann

ABSTAIN: COUNCIL MEMBERS - None
